## EXPERIENCE

**CETPA INFOTECH** | FULL STACK JAVA DEVELOPER | INTERNSHIP  
AUGUST 2024 – APRIL 2025 | NOIDA, INDIA

- Optimized code efficiency by approximately 2x, leveraging Spring Boot's auto-configuration and starter dependencies.
- Cut database query time by about 50%, using Spring Data JPA's repository abstraction and Hibernate caching.
- Boosted API speed through RESTful and request handling optimizations.
- Ensured reliability through unit tests, improving stability.
- Applied skills in 5+ projects, enhancing scalability and security.

**ANUDIP FOUNDATION** | JUNIOR FULL STACK JAVA DEVELOPER  
| TRAINING  
MARCH 2023 – MAY 2023 | NOIDA, INDIA

- Earned 7+ industry-recognized certifications in Full Stack Java Development from Codecademy.
- Completed 3+ hands-on projects, applying Java, Spring Boot, and Hibernate concepts.
- Honed problem-solving skills by solving real-world coding problems.

## PROJECTS

**BOOK BAAZAR** | [Link](#)  
SPRING BOOT | SPRING DATA JPA | SPRING SECURITY | HTML | CSS |  
JAVASCRIPT

- Built an E-commerce platform, improving order processing with seamless product management.
- Integrated secure authentication, live inventory updates, and optimized checkout to boost purchase flow.
- Automated inventory tracking, reducing errors through SQL optimization.

**TIME FORGE** | [Link](#)  
SPRING MVC | HIBERNATE | JSP | CSS | JAVASCRIPT

- Developed an Employee Time Tracking System, increasing time tracking accuracy with improved record management.
- Implemented real-time tracking, automated reports, and role-based security, enhancing system efficiency.
- Optimized database performance through efficient query handling and indexing.

**MONEY MATE** | [Link](#)  
JSP | JDBC | CSS | JAVASCRIPT

- Designed a banking system, enabling seamless money transfers and smooth daily financial operations.
- Introduced secure deposit and withdrawal features, improving transaction accuracy.
- Enhanced account management, reducing processing time through optimized data handling.

## EDUCATION

**GANGA INSTITUTE OF TECHNOLOGY AND MANAGEMENT | MDU | ROHTAK**

MASTER OF COMPUTER

APPLICATIONS

AUGUST 2021 - JULY 2023

CUMULATIVE PERCENTAGE: 72.63%

**VIDYA KNOWLEDGE PARK | CCSU | MEERUT**

BACHELOR OF COMPUTER

APPLICATIONS

AUGUST 2018 - JUNE 2021

CUMULATIVE PERCENTAGE: 67.38%

## SKILLS

### PROGRAMMING

LANGUAGES:

- Java
- JavaScript
- C#

FRAMEWORKS & LIBRARIES:

- Spring Boot
- Hibernate
- JUnit

TECHNOLOGIES:

- HTML
- CSS
- MySQL

TOOLS:

- Git
- Spring Tool Suite
- Maven
- Postman
- Swagger UI

WEB SERVICES:

- REST APIs

### OTHERS

- Problem Solving
- Adaptability
- Team Player

## COURSEWORK

### POSTGRADUATE

- Software Engineering
- Software Testing
- Web Technologies
- Database Management Systems

### UNDERGRADUATE

- Object Oriented Programming
- Data Structures
- Analysis of algorithms
- Computer Fundamental
- Mathematics I & II
